ST. JOHNSBURY ACADEMY

SAINT JOHNSBURY, VERMONT 05819 AREA 802/748-8

Dear Seniors:

I am delighted to be given this opportunity to salute the Class of 1975. This beautiful yearbook is filled with memories of the past four years. There are memories of events and activities but the most important ones are those of people, the wonderful people who have made up your class. As you leave the Academy to take up new challenges I hope that this book will serve as a reminder of four years, of friendships made and lessons learned.

The most valuable lesson that any of us can learn is that each one of us possesses tremendous potential. You now go on to new challenges and new opportunities. Your future will be decided to a great degree by your knowledge and appreciation of your own abilities. Make use of your talents and never be afraid of the excitement that each new day will bring to you.

We wish each member of the Class of 1975 success and happiness for the future and we hope that we have played a part in preparing for that future. We bid you farewell and in doing so ask God's blessings on your lives. We pray that each of you will find the success and fulfillment you seek and we hope that in future years we will never become strangers.

Very cordially yours,

Vincent W. Durnan

Varsity Football

With a solid nucleus of returning veterans, we looked forward to a successful season. The schedule did not favor an easy start, with the first four games away and at night. In that span, the Academy lost three and won one, all by one touchdown margins. Injuries to key personnel were a factor through the middle part of our schedule. Finishing our season at home, we dropped a heartbreaker to Rice on a late field goal. We finished very strong by winning the last three games while outscoring our opponents 89-20. Particularly satisfying was our 33 to 0 victory over arch rival Lyndon Institute—a great finale for nineteen seniors.

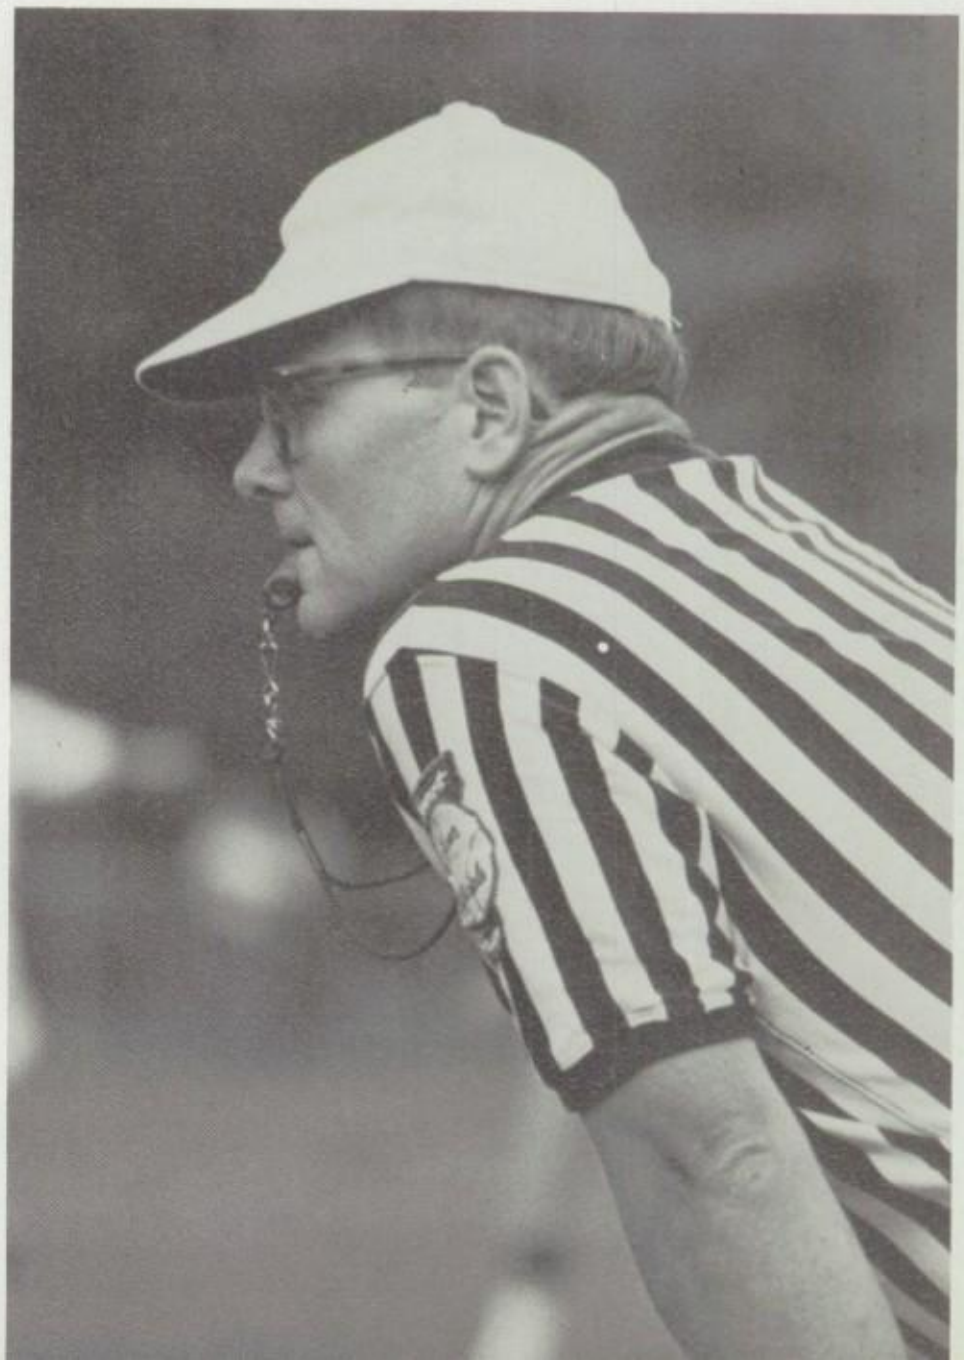
Soccer

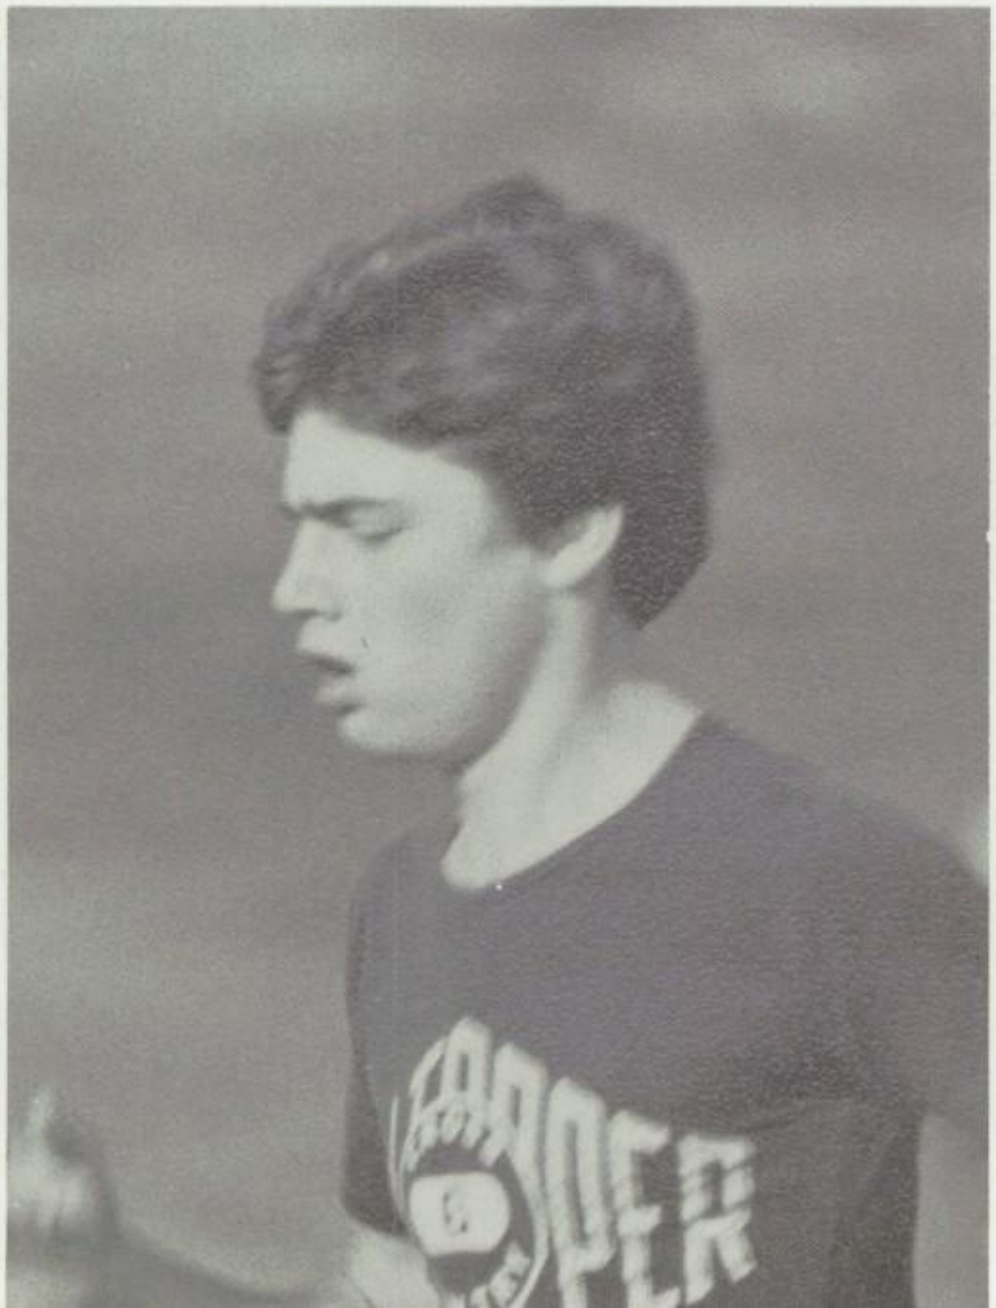
Soccer is a matter of pride, and pride is a quality this year's soccer team was not short on. Despite a disappointing record (2-10), the soccer players took pride in a vastly improved team. The team is still young. There are only four graduating seniors, although these will be big losses to the team. They are Peter Osborne, Peter Albright, Mike Mullaly, and Tom Carroll. Coach Sanborne rates Tom Carroll as most improved player. In his first year on the team, many coaches considered Tommy the best goalie in the league. Outstanding underclassmen were Fred Parks and Mark Marinelli, both sophomores. Next year's team looks to be good. The players left have all the skills a good team needs. The only ingredient left for a winning formula is participation. If numbers turn out next year, you can bet on the soccer team going places.



Front: S. Hoyt, R. Bunnell, M. Fortin, P. Osborne, T. Carroll, Captain M. Mullaly, F. Parks, M. Marinelli, R. Jenks. *Back:* Coach Crawford, M. Desrochers, R. Sambito, J. Vogel, V. Cruz, B. Johnson, B. Bowman, D. Desrochers, P. Weiner, Captain P. Albright, Coach Sanborn. *Missing:* Victories (10)

Front: J. Kelliher, R. Parrish, C. Casteel, R. Desilets, C. Armstrong. *Back:* W. Laberge, G. Briggs, S. Donna, J. Denny, P. Watkins, P. Ballard, Mgr. S. Waldron, Coach Hegarty. *Missing:* J. Senecal.

Cross Country



"Climb Every Mountain" would have been a fitting team song for the cross-country team, as they met up with some pretty long hills this season. They had to fight injuries all seasons, and it sometimes seemed that those darn injuries were winning the fight! The Toppers ran a very tough schedule, facing some of the top teams in the state, and came out sporting a 6-6 record.

The team was paced by Co-Captain Caron Casteel, who turned in an outstanding 13:25 over the 2.5 mile loop, followed closely by Co-Captain Russ Desilets, Steve Donna, John Kelliher, Randy Parrish, Jay Denny, and first year striders Gary Briggs and Craig Armstrong tallied those most important back-up points, as did Pat Wilkins, Jim Senecal, frosh Bill Laberge, and Pete Ballard.

Girls' Field Hockey

Although the uniforms, sticks, and goals have been put away for another year, the memory of the victorious field hockey team cannot be put away.

This year the team posted a league season record of eight wins, three losses, and two ties—a record good enough to put them into tournament action. These girls lacked nothing going into the tournament; the hustling offense was backed by a mighty defense. Although the team did lose to Middlebury in the semi-final action, they brought back an air of pride in knowing that they tried their hardest and put out their best.

The defense, led by one of the tri-captains, Debbie Stanton, positioned Laurel Racenet in the goal cage. Laurel kept it clean of goals by saving thirty-seven of the forty-nine attempts made against her. The offense, led by the other tri-captains Denie Graham and Linda Pike, outscored their opponents by making 24 of the 113 attempts made. Although the team loses seven of its seniors—Becky Colby, Denie Graham, Tina Letourneau, Christie Lyon, Linda Pike, Laurel Racenet and Debbie Stanton, the returning players are determined to "go all the way" next year.

Kneeling: K. Kennedy, P. Dolgin, D. Wakefield, M. Larocque, D. Hoyt, M. Emmons, P. Brown, S. Dodge, S. Maurice, D. Chaloux, A. Abadi, J. Colby, P. Paige, S. Dodge, C. Judd, S. Varsity Basketball

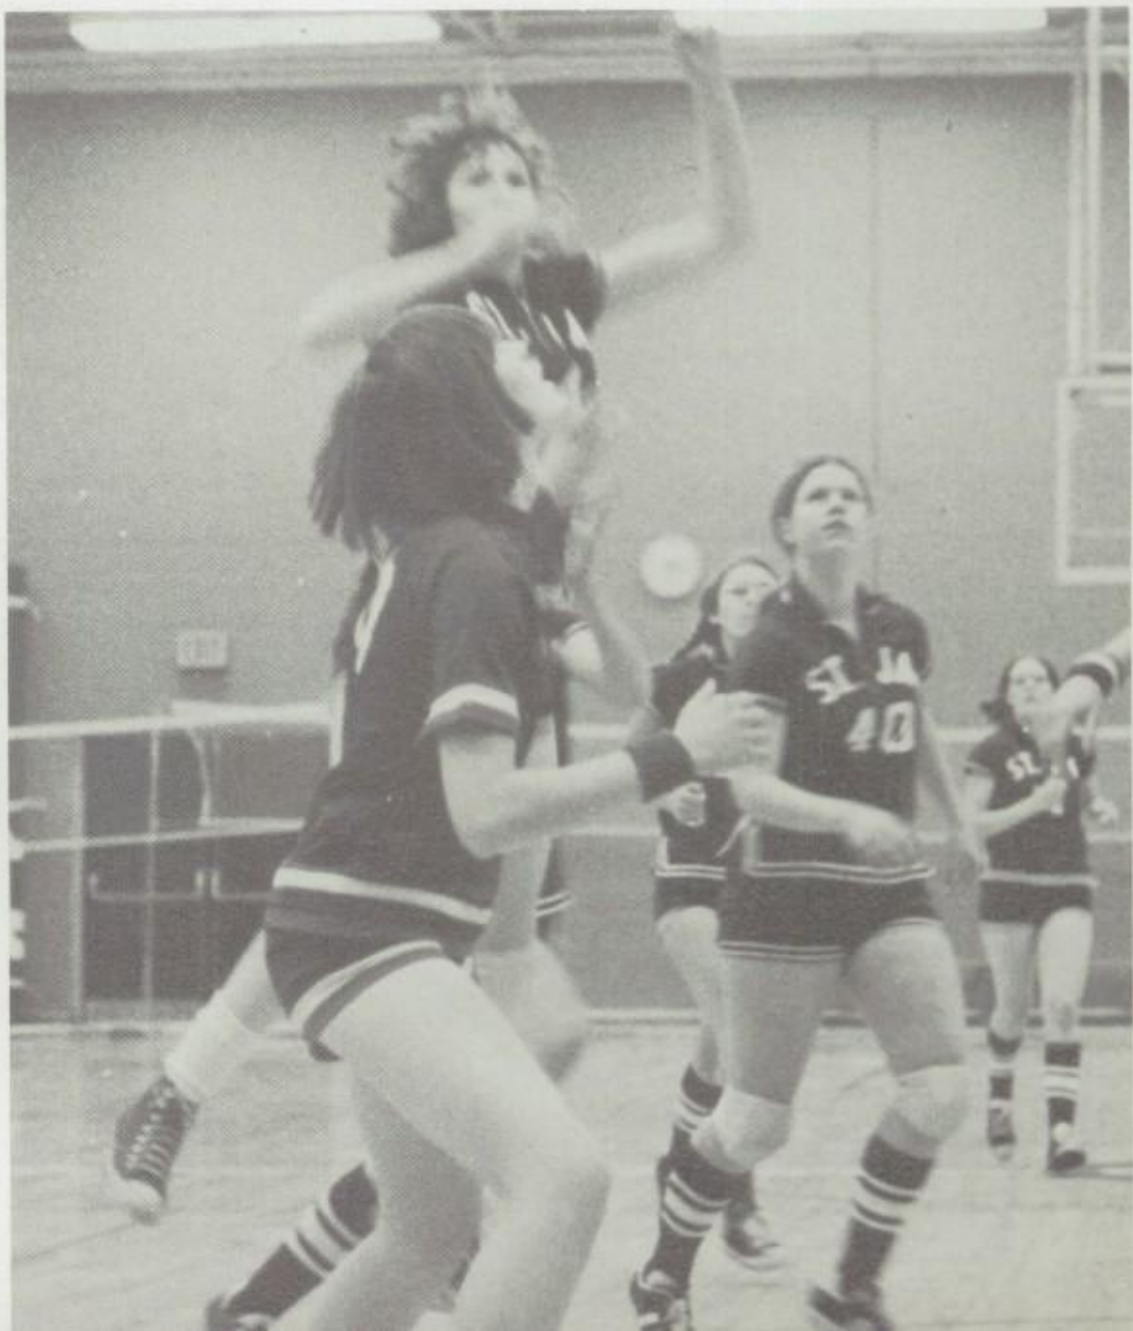
This year's Varsity Basketball team did not have the height that most successful teams do. But the team more than made up for this lack of height in hustle. They finished with a 6-14 record, not an impressive one, but from the games we all saw we know they did their best.

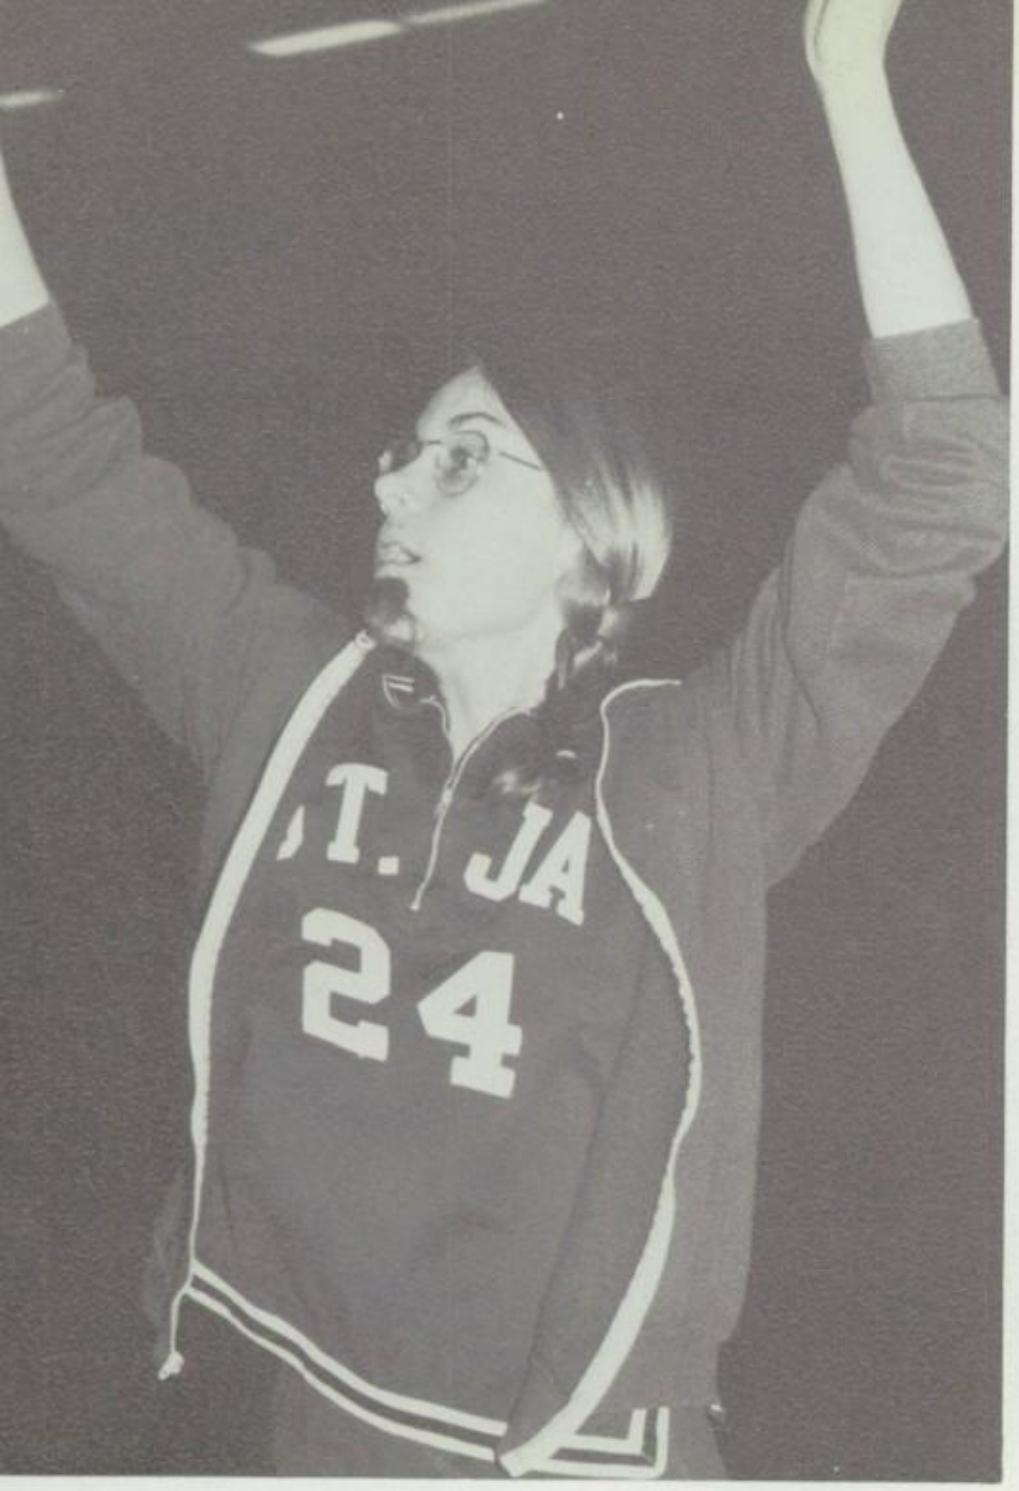
Coach Higgs cited Bobby Hill as "Mr. Everything." Bobby averaged 16 points per game and received his 1,000th point before a home crowd.

This year's team consisted of Co-Captains Ron Bouffard and Bob Hill, Keith Isham, Ray Desilets, and Tom Carroll, all seniors we'll miss next year. Next year's team will be built around returning lettermen Mike Bouffard, Steve Thurston, Mike Greenleaf, Jim Wellons, Brian Johnston, Craig Racenet and Dave Pickering.

Kneeling: Tom Carroll, Ray Desilets, Jim Wellons, Ken Bean, Keith Isham, Ron Bouffard. Standing: Rusty Desilets (Mgr.), Alan Jeffrey (Trainer), Bob Hill, Steve Thurston, Mike Greenleaf, Craig Racenet, Mike Bouffard, Mr. Higgs (Coach), Mr. Hutchinson (Asst. Coach).

Girls' Basketball



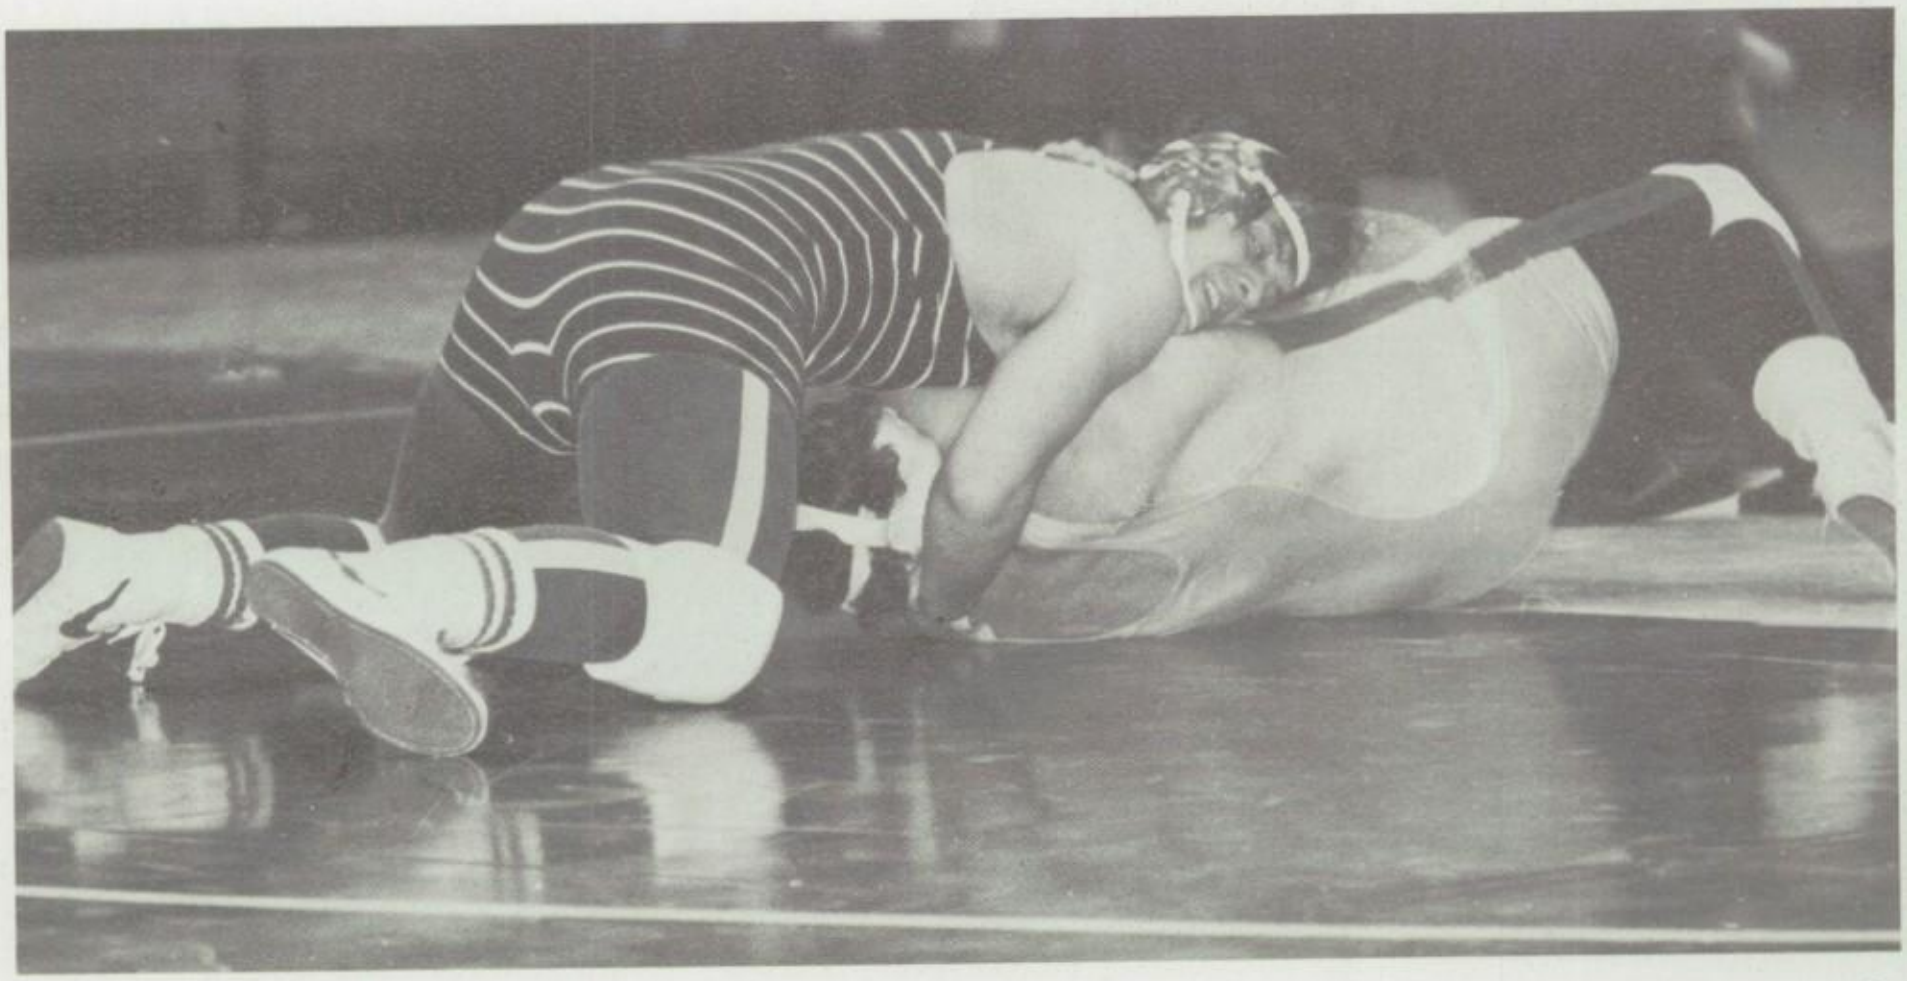


The girls' basketball team proved to be a pleasant surprise to Coach Virginia Johnson. Mrs. Johnson said, "The girls produced a better season than I had anticipated at the start. We played a free lance offense and a zone press which paid off in many games."

This year the girls completed their longest schedule ever with 15 scheduled games and 2 scrimmages. At the season's conclusion, the Hilltopperettes finished with a league record of 9 wins and 6 losses. With this record, they were able to get into a state play-off game against Missisquoi. We had to give away a lot of height under the basket and that, combined with fine outside shooting, tipped the contest in their favor. Dot Robinson turned in a fine performance in the game as high scorer of the evening with 17 points. Miss. Robinson led the team in both rebounds and points—165 and 138 respectively. Linda Pike and Sandi Armstrong with 130 and 101 points also deserve recognition as does Kathie Pike with 97 rebounds.

Kneeling: Michelle Cote, Diane Chaloux, Marion Stuart, Brenda Wilkins, Nancy Poulos, Barb Smith. *Standing:* Sandi Armstrong, Denie Graham, Kathie Pike, Dot Robinson, Linda Pike, Karen Nolin, Mrs. Johnson (Coach).

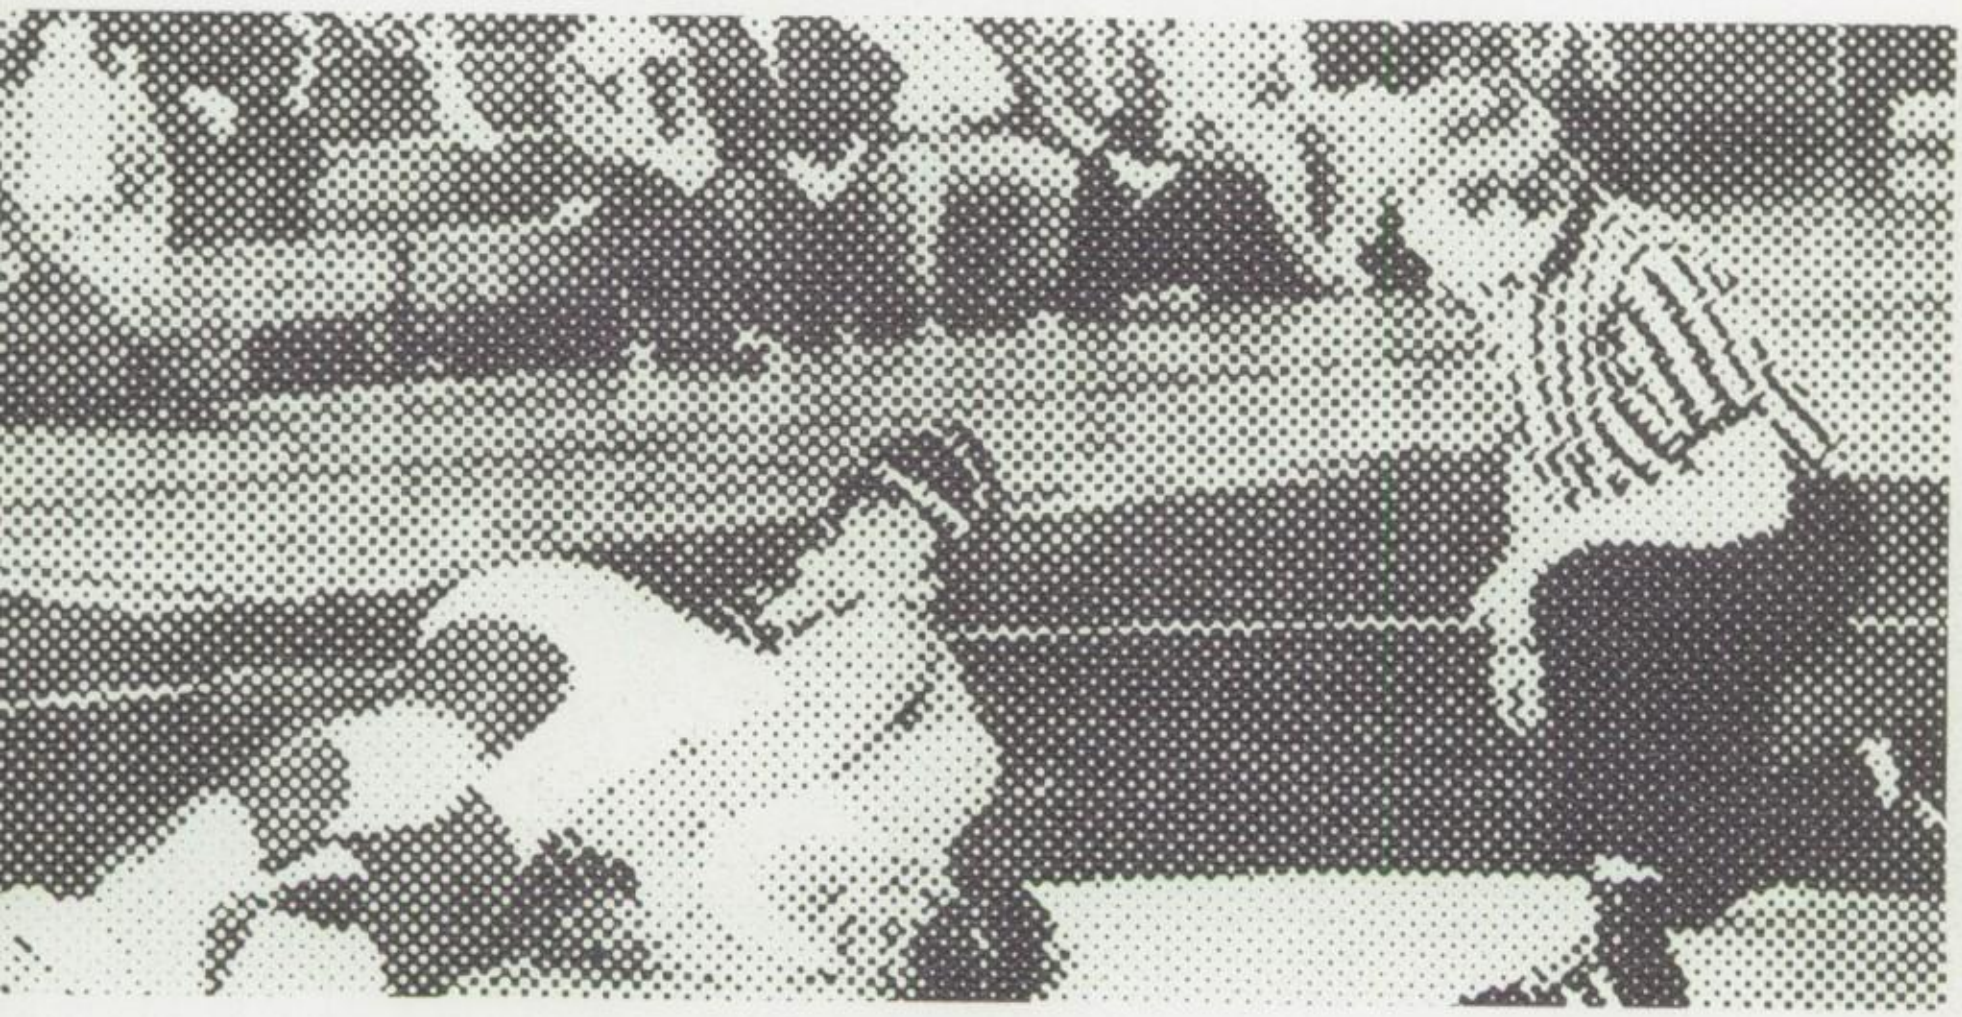
Wrestling



First Row: D. McFarlin, K. Hubbard, J. Bailey, M. Poole, K. Smith, M. Darling, C. Sanford Murray (Coach), M. Gingue, N. Bohlen, G. Darling, G. Christiansen, R. Smith, M. Andrews. Second Row: K. Johnson, P. Hahn, B. Gilding, A. Patenaude, C. Watkins, M. Lamotte, G. Jenne, Eric Johnson (Asst. Coach), G. Parker, P. Vreeman, M. Wilkins, S. Simpson, B. Chesbrough, G. Jenne (Trainer), L. York (Manager). Missing: G. Babcock, R. Young, S. Davis, D. Shields (Manager).

It came as no surprise to anyone when the wrestlers, under the watchful eyes of Mr. Murray and Mr. Johnson, produced a fantastic 17-3 record on the mat. With over 100 victories under his belt, Coach Murray ranks as one of the greatest coaches in Vermont schoolboy circles. In an exciting win over Spaulding, the team won the Eastern Division of the Green Mountain League. Unfortunately, the team did not fare well at the State Meet. Both co-captains, Greg Christiansen and Mike Andrews, were heavily favored to cop their weight divisions, but unfortunately were ill when the States were held. Their fifth place finish was highlighted by Gary Darling's 6th place finish, Gary Parker's 5th, Nick Bohlen's 4th; juniors Matt Darling and Keith Hubbard took 2nd's, and Rick Smith took top honors in the 185 pound class.

The Academy is always proud of its wrestlers, and with lots of bright hopes for next year, it looks like the St. J. tradition in wrestling will continue.



Ski Team

As expected, this year's ski team proved to be one of the better ones in recent years. A fifth place in the District Meet allowed the boys to go to the State Meet, held at Lyndonville. In the Alpine events, freshman Keith Shortsleeve made an impressive showing in giant slalom with Tom Sherman, Jim Desrochers, and Marc Marinelli following behind Shortsleeve. In slalom, Bill Snow, Shortsleeve, and Sherman followed Peter Osborne, the first Academy finisher.

Cross-country was the team's strong point in the meet. Stuart Hoyt finished second among the best skiers in the state. Peter Albright finished ninth in the meet while Dennis Desrochers was twelfth and Richard Mayhew finished twenty-fourth.

In cross-country, the team placed a strong second behind Lyndon, the state champs. Overall, the team placed sixth.

The girls' team skied strongly during the season led by Sue Dodge, Kellie Shortsleeve, Edie Russell and Carol Dodge in alpine. Lucy Simpson, Chris Stowe, Carolyn Marinelli, and Brenda Knutsen led the cross-country team. Travelling to Middlebury for the States, they placed ninth.

Kneeling: Brenda Knutsen, Lucy Simpson, Lori Ash, Carolyn Marinelli, Amy Damon, Kellie Shortsleeve, Chris Stowe, Sue Dodge. Back: Bob Nitsche, Dave Simons, Bob Jenks, Dennis Desrochers, Tom Sherman, Jerry Prevost, Mark Desrochers, Pat Watkins, Richard Mayhew, Peter Osborne, Keith Shortsleeve, Jim Desrochers, Bill Snow, Stewart Hoyt, Peter Albright, Ken Coombs, Mark Marinelli, Alden Eaton. Academy Theatre

Academy Theatre is an organization consisting of over fifty members dedicated to the study and presentation of fine drama—comedy, tragedy, and experimental theatre—for the community as well as for its student body. It is a complex organization since it encompasses playwrighting, directing, acting, costumes, make-up, scenery, lighting, properties, theatre architecture, special effects, business management, publicity and even theatrical critique. Although Academy Theatre represents many hours of dedicated hard work, long rehearsals and technical precision, it also represents many hours of fun; that special camaraderie of working together to create a whole—an intense awareness of human emotions and perhaps most important—the golden afterglow of a job well done.

This year the Academy Theatre presented *The Dark at the Top of the Stairs, Joe Egg, The Rocking Horse Winner* and *The Man Who Came to Dinner.* The Academy Theatre is under the direction of Mrs. Margaret Ryan. Its officers for the 1974-75 season were: President, Karen Nolin; Vice President, Brad Sargent; Secretary, Karin Hammer.

The Academy Band

Aside from appearing at Academy athletic events and several community affairs, this year's band and chorus traveled south to Greenwich, Rhode Island for an exchange concert. Members of the group were housed by East Greenwich students and their parents. The concert went off extremely well and all three directors said that it was the best exchange concert they had ever attended. For the St. J. students the highlight of the evening was a standing ovation from the East Greenwich audience.

In early April, the East Greenwich band and chorus came to St. J. Among the activities planned for the visitors was a square dance, a buffet dinner, and a sugar-on-snow party at Lawrence's sugaring house on Crow Hill. The concert went exceptionally well and a good time was had by all who participated.

Outdoor Living Project

The Outdoor Living Project was organized this year under the direction of Mr. Sanborn with aid from Mr. Moore and Miss Lane. The members earn one-fourth of a phys. ed. credit for each outing they participate in.

During the past year, Outdoor Living Project trips have included expeditions by foot, snowshoe, cross country skiis and canoe. The project has proven to be a highly successful and unique addition to the existing physical education program.

The Student

The Academy Student has undergone some large changes in the last two years in its basic format. By changing from "letter" press to an "offset" press, the paper has been able to vary its structure with drawings, odd-shaped photographs and overlays. This takes away some of the formality and allows the paper to be more up to date.

The Student gives the members of the Academy the opportunity to voice their opinions on subjects concerning each and every one of us. It also enables those who have interests in creative writing (i.e. poetry), the chance to have their work enjoyed and appreciated by the rest of the student body.

National Honor Society

The members of the National Honor Society have been selected in recognition of their outstanding qualities of scholarship, service, character and leadership.

With Mr. Frey as their adviser, the members organized an N.H.S. Club centering on the goals of creating enthusiasm in non-athletic activities and bringing about greater communication between school and community.

The main accomplishments of the Club have been the establishment of goals and the organization of a formal candle lighting ceremony inducting new members of the society.

Sixteen springs and sixteen summers gone now
Cartwheels turn to car wheels thru the town
And they tell him, take your time, it won't
be long now
Til you drag your feet to slow the circles
down.

And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return we can only look behind
From where we came
And go round and round and round
In the circle game.

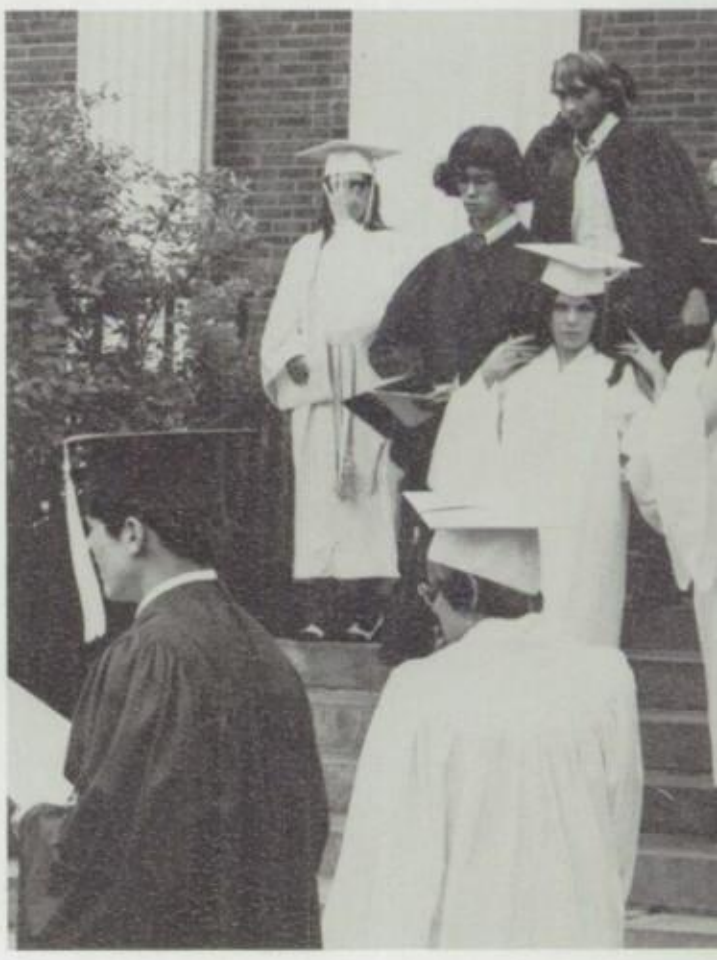
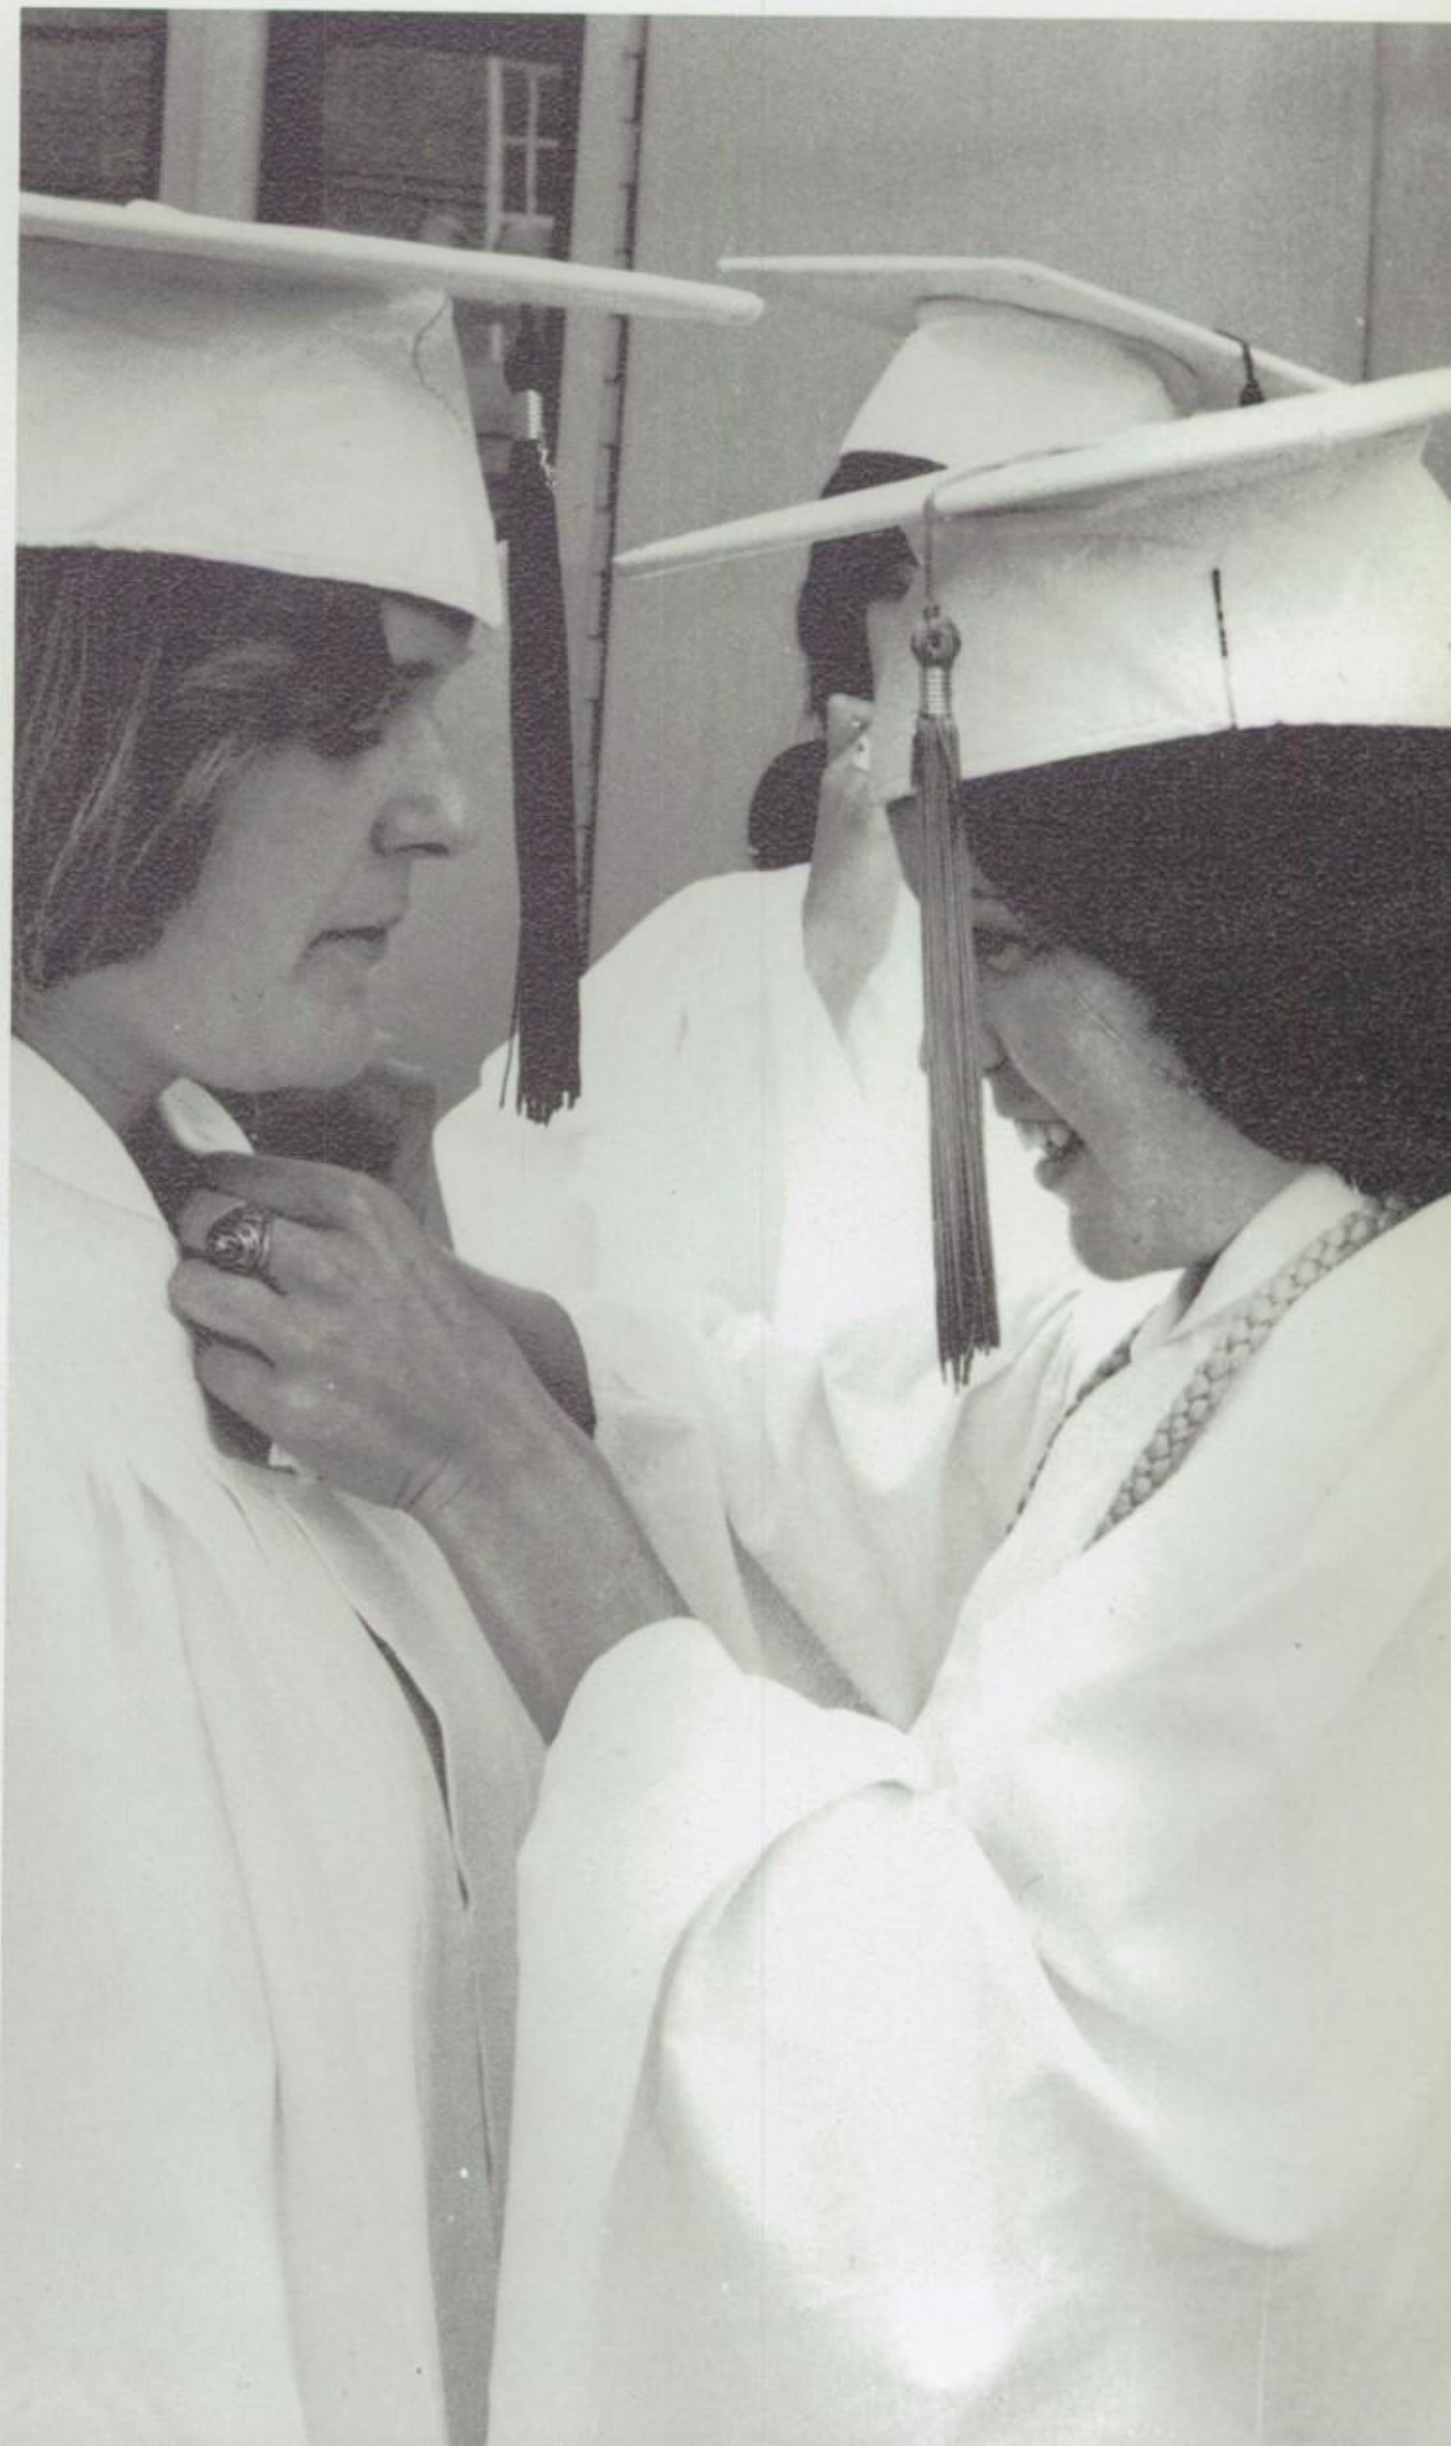
and if the answer's filled with trouble, we'll be
back to help you see, but only for a moment,

let it be . . .

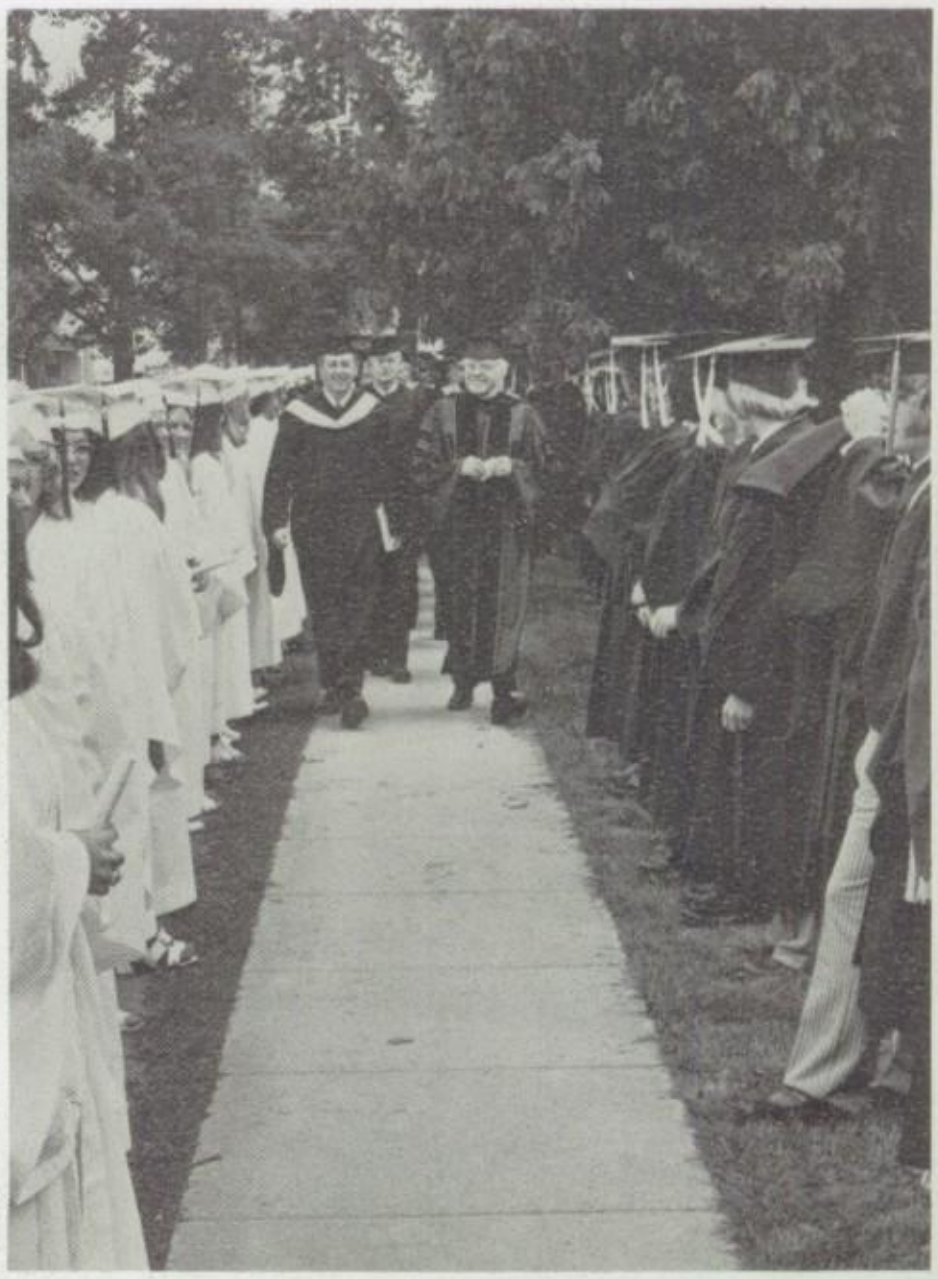
now we really must be leaving, so we say our last good-bye, speaking words of wisdom.

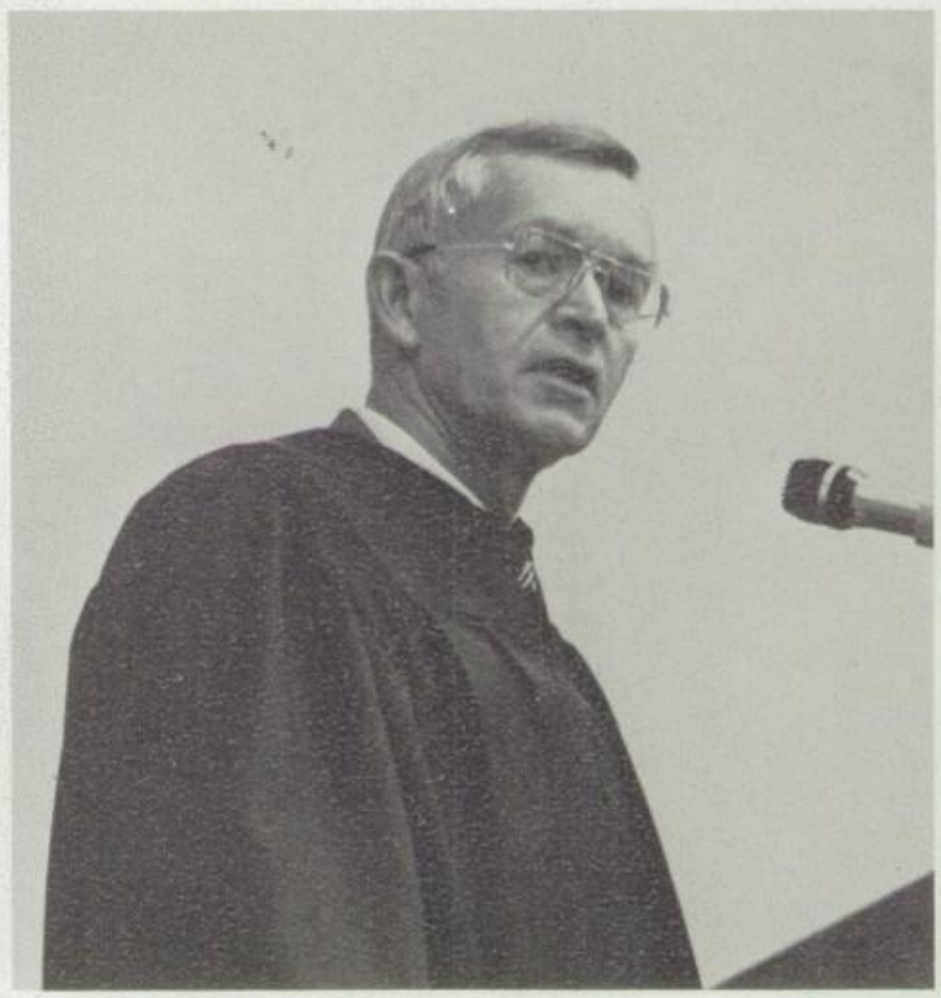


let it be . . .



Remember all our times together, and the class of '75,
leaving words of wisdom,





let it be.

A BRIEF GUIDE TO RHYMING

English is a language than which none is sublimer,
But it presents certain difficulties for the rhymer.
There are no rhymes for orange or silver
Unless liberties you pilfer.
I was once slapped by a young lady named Miss Goringe,
And the only reason I was looking at her that way, she
represented a rhyme for orange . . .

ANCIENT HISTORY

I hope the old Romans
Had painful abdomens.
I hope that the Greeks
Had toothaches for weeks.
I hope the Egyptians
Had chronic conniptions.
I hope that the Arabs
Were bitten by scarabs.
I hope that the Vandals
Had thorns in their sandals.
I hope that the Persians
Had gout in all versions.
I hope that the Medes
Were kicked by their steeds.
They started the fuss
And left it to us!

CHACUN A SON BERLITZ

French is easy.
At speaking French I am the champ of the Champs
Elysee,
And since I can speak Parisian without a flaw,
I will tell you why the crows, or les corbeaux, always win
their battle against the scarecrows: it's on account
of their esprit de caw.

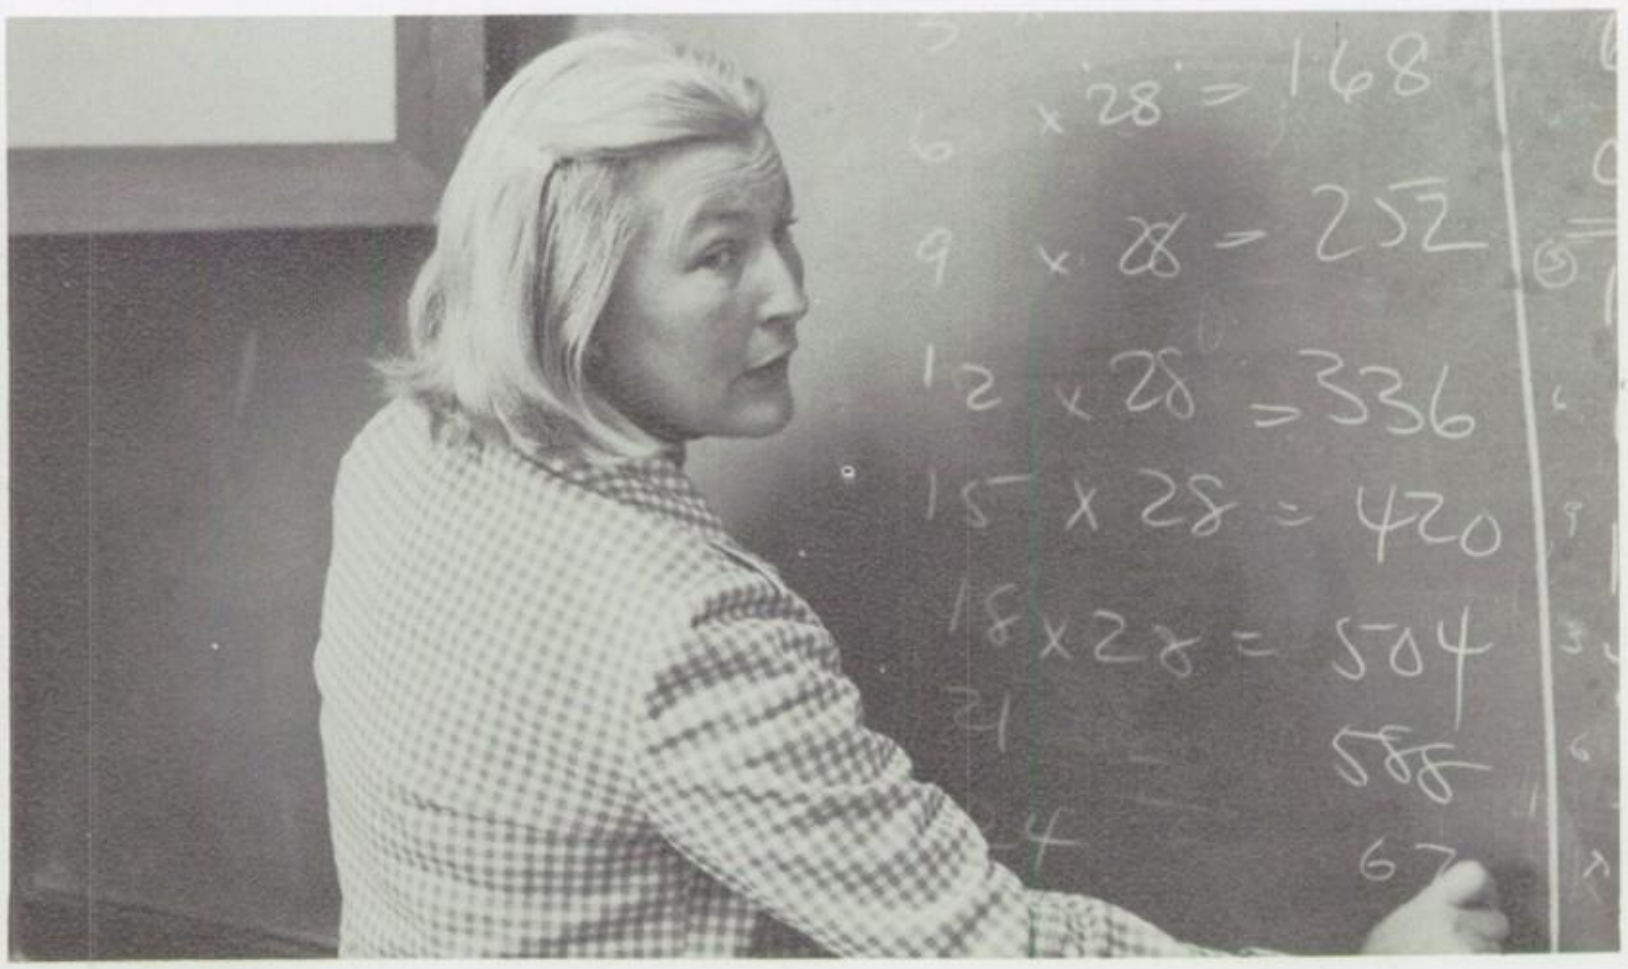
ARITHMETIC

If you take a number and double it and double it again and then double it a few more times, the number gets bigger and bigger and goes higher and higher and only arithmetic can tell you what the number is when you decide to quit doubling.
Arithmetic is where you have to multiply—and you carry the multiplication table in your head and hope you won't lose it.
If you have two animal crackers, one good and one bad, and you eat one and a striped zebra with streaks all over him eats the other, how many animal crackers will you have if somebody offers you five six seven and you say No no no and you say Nay nay nay and you say Nix nix nix?
If you ask your mother for one fried egg for breakfast and she gives you two fried eggs and you eat both of them, who is better in arithmetic, you or your mother?

Carl Sandburg



The Mathematics Department consists of the following members: Gordon Bess, John Conover, Thomas Ingram, Dianne Rolfe, Charles Thurston, Paul Wilkinson and Lucille Byrne (Department Chairman).

Members of the Science Department include Howard Crawford, Alden Eaton, Bruce Hoyt, Edmund Kennedy, Robert Nitsche, Ernest Racenet, Richard Roosa and William Stowe (Chairman of the Department).

THE MICROSCOPE

Anton Leeuwenhoek was Dutch.
He sold pincushions, cloth, and such.
The waiting townsfolk fumed and fussed
As Anton's dry goods gathered dust.
He worked, instead of tending store,
At grinding special lenses for
A microscope. Some of the things
He looked at were:

mosquitoes' wings,
the hairs of sheep, the legs of lice,
the skin of people, dogs, and mice;
ox eyes, spiders' spinning gear,
fishes' scales, a little smear
of his own blood . . .
Impossible! Most Dutchmen said.
This Anton's crazy in the head.
We ought to ship him off to Spain.
He says he's seen a housefly's brain.
He says the water that we drink
Is full of bugs. He's mad, we think!
They called him dumkopf, which means dope.
That's how we got the microscope.
